

Join a World-Leading Christian Mental Health Team — Now Hiring: Highly Talented Psychiatric Mental Health Nurse Practitioner

Greenville, FL (near Tallahassee & Valdosta) | Full-Time |

THE OPPORTUNITY

Are you passionate about **transforming lives** through **clinically excellent, Christ-centered care**? Are you **exceptional** at what you do? If so, this opportunity might be for you.

At **Honey Lake Clinic**, we're not just offering a job—we're offering you a place on a **mission-driven, innovative, nationally-acclaimed team** that's helping shape the future of Christian mental health treatment. Our extraordinary team of PMHNPs work in a serene, spiritually nurturing environment on our multi-hundred acre resort-style campus, complete with equine stables, a full-service salon including massages and red light therapy, a professional fitness center, pool, hot tub and sauna complex, exceptional meals, and more, all while training under **world-renowned Christian psychiatrists Dr. Timothy Jennings and Dr. Karl Benzio**, and alongside a multidisciplinary team of clinicians and faith leaders (see summary bios of some of our clinicians below).

Standing among the nation's most respected and successful residential treatment programs, **Honey Lake Clinic is growing rapidly**, with strong patient outcomes and a reputation for integrated, whole-person healing. If you're called to make a real difference—and want to grow personally, professionally, and spiritually—this is the place for you.

WHO WE ARE

Located on a serene lakeside campus, **Honey Lake Clinic** is a leading residential Christian mental health and addiction treatment center. We provide spiritually integrated, clinically excellent care to adults seeking restoration and hope. Our unmatched outcomes speak to the power of this integrated healing, with **98% of patients reporting feeling better after our care and would recommend us to others**. WHAT YOU'LL DO

As a **Psychiatric Mental Health Nurse Practitioner** at Honey Lake Clinic, you'll play a central role in the healing journey of our patients—bringing clinical expertise, spiritual compassion, and collaborative leadership to the table. You'll work closely with a multidisciplinary team to provide psychiatric evaluations, medication management, and

therapeutic support to adults seeking hope and restoration. You'll also have the opportunity to contribute to a deeply Christ-centered model of care that integrates spiritual, psychological, and medical insight.

In this role, you will:

- Provide compassionate, Christ-centered psychiatric care to adult patients
- Work under the supervision of a board-certified Psychiatrist, contributing to multidisciplinary care coordination and clinical decision-making.
- Collaborate with therapists, nurses, wellness team, and spiritual staff to create holistic treatment plans
- Conduct psychiatric assessments and guide the medication process throughout treatment
- Offer insight and leadership during weekly clinical meetings and case reviews
- Support patients through detox, crisis stabilization, and ongoing therapeutic engagement
- Contribute to a safe, structured, and spiritually enriching healing environment
- Integrate therapeutic approaches such as CBT, DBT, motivational interviewing, EFT, and others
- Engage with patients in ways that affirm their value, dignity, and spiritual growth

ROLE DETAILS

- *Pay:* \$/150,000-\$180,000 (commensurate with experience and credentials)
- *Schedule:* Primarily weekday schedule, option for 10-hour shifts for four-day work week, with limited after-hours coverage rotation
- *Location:* Greenville, FL (~40–50 minutes from Tallahassee, FL or Valdosta, GA)
- *Employment Type:* Full-time, benefits eligible

WHAT WE OFFER

- Flexible schedule
- Paid time off
- Exceptional working environment
- Positive, healthy and uplifting environment

- One complimentary, healthy and nutritious, great-tasting lunch per day
 - Malpractice coverage provided under company policy
 - Health, dental, and vision insurance
 - Employer-paid \$10,000 life insurance
 - Retirement (coming Summer 2025!)
 - Short-term disability, accident & critical illness coverage
 - A mission-driven culture grounded in faith and excellence
 - Training and mentorship including licensure supervision hours under nationally recognized Christian leaders
 - Career growth in a fast-growing, highly respected organization
-

QUALIFICATIONS

- PMHNP or higher nursing degree
 - Active Florida ARNP license in good standing
 - Current DEA license (buprenorphine waiver preferred or willing to obtain)
 - Board certification preferred
 - Strong diagnostic, medication management, and therapeutic skills
 - Familiarity with EMR systems and clinical documentation standards
 - Christian belief system with the ability to integrate faith into patient care
 - Strong communication, teamwork, and leadership skills
 - Background check and drug screening per state regulations
 - Basic computer proficiency (Microsoft Office, electronic medical records)
-
