

The Opportunity: Join a Mission That Nourishes Body, Mind, and Spirit

Are you passionate about transforming lives through excellence...both in your craft and in your care for others? Do you take pride in creating meals that uplift, heal, and bring people together? If so, this could be your calling.

At Honey Lake Clinic, we're not simply hiring kitchen staff- we're inviting you to join a nationally recognized, Christ-centered team that's redefining the future of mental health treatment. Our mission-driven professionals work in harmony to deliver world-class, whole-person healing—body, mind, and spirit.

Located on a beautiful, resort-style campus spanning hundreds of peaceful acres, Honey Lake Clinic offers a serene, spiritually nurturing environment where excellence and compassion thrive side by side. Our culinary team plays a vital role in this mission- preparing and serving exceptional, nutritious meals that help restore health and inspire hope in our patients and staff alike.

You'll collaborate with a multidisciplinary team of clinicians, pastors, and care professionals- individuals at the forefront of integrating clinical expertise with faith-based healing. Together, we're setting a new national standard for Christ-centered behavioral healthcare, with outstanding outcomes and an unwavering commitment to compassion.

If you're seeking more than a job- if you desire to grow personally, professionally, and spiritually while making a tangible difference every day - then Honey Lake Clinic is where you belong.
